Dear Madam/Sir,

Bureau of Indian Standards, the National Standards Body of the country is celebrating its 77th Foundation Day on 06 January 2024. As we continue to scale newer heights in our activities to build a strong quality conscious nation, it would not have been possible without your constant endeavor to manufacture and supply products conforming to the relevant Indian Standards.

On this occasion, we take the opportunity to congratulate your team for achieving ZERO failure in samples of your following product(s) drawn by Bureau of Indian Standards and tested in BIS/BIS recognized laboratory, since 01 April 2021. We look forward to your sincere efforts in consistently maintaining ZERO failure in samples in future.
