2026

FROM THE EDITOR'S DESK

The North Eastern region of India is undergoing rapid transformation, with significant progress in infrastructure development over the past decade. This growth has resulted in a substantial increase in the demand for cement. Topcem has consistently remained aligned with this rising requirement, reinforcing its position as a key contributor to the region's development. With an existing production capacity of approximately 1.5 million tons and an ongoing expansion initiative to double this output, the Company is poised for its next phase of growth. This strategic capacity enhancement will be supported by a strengthened and forward-looking sales and marketing approach to further consolidate market leadership. I am confident that our dedicated team will continue to demonstrate excellence, outperform the competition, and drive the brand to greater heights. I extend my best wishes to the entire Topcem family as we prepare to embrace new opportunities and challenges, and I look forward to a successful and prosperous year ahead.

TOPCEM CEMENT ORGANIZED BLOOD DONATION CAMP WITH INDIAN RED CROSS SOCIETY

Topcem Cement reaffirmed its commitment to community welfare by organizing its annual Voluntary Blood Donation Camp in association with the Indian Red Cross Society, Assam State Branch on 8th August 2025. The camp was inaugurated by, Chairman Shri Kailash Chandra Lohia, in the presence of Shri Bajrang Lohia, Director - Meghalaya Cements Ltd., Dr. Anil Kapur, Sr. President - Sales & Marketing, Meghalaya Cements Ltd. and senior officials from GMCH Blood Bank and the Indian Red Cross Society. Employees, partners, and volunteers from the Lohia Group participated wholeheartedly, with donors first medically screened before contributing. By the end of the day, over 25 units of blood were collected, reflecting the team's enthusiasm and commitment to saving lives. This initiative once again showcased Topcem Cement's dedication to impactful social service and its ongoing efforts to support the wellbeing of the community.

EMPOWERING WOMEN THROUGH SKILL & SELF-RELIANCE

Udgam Uttaran Incense Stick Workshop

The Udgam Uttaran incense stick workshop, held on 5th September 2025 in celebration of Teachers' Day, beautifully blended skill development with community upliftment. With 68 enthusiastic participants, the workshop offered practical, hands-on training while motivating women to move confidently toward self-reliance and financial independence. A strong corporate partnership with Topcem Cement played a pivotal role in expanding the workshop's reach and impact. Through this collaboration, participants not only learned valuable livelihood skills but also gained the inspiration needed to pursue sustainable income opportunities. To ensure the long-term success of the initiative, recommendations include organizing follow-up sessions, providing advanced training, and building market linkages that can help participants convert their skills into thriving micro-enterprises. The workshop stands as a shining example of collective effort—empowering women, nurturing talent, and fostering inclusive growth within the community.

TOPCEM CEMENT DONATED AUTOMATED MEDICAL BEDS TO ARMY VETERANS

Honouring Courage. Uplifting Lives.

In a heartfelt gesture of gratitude and social commitment, Topcem Cement donated 5 advanced automated medical beds to Army veterans. The initiative, carried out in collaboration with HQ 51 Sub Area, Narengi, reflected the company's deep respect for those who had dedicated their lives to safeguarding the nation. The state-of-the-art beds were provided to support veterans who had been rendered immobile due to occupational hazards sustained during active service. Designed to enhance comfort, mobility, and dignified care, the donation aimed to ease their challenges and improve their quality of life. This meaningful act stood as a testament to Topcem Cement's ongoing commitment to community welfare and its sincere effort to honour the valour and sacrifice of India's brave heroes.

ANNUAL SCHOOL STATIONERY DISTRIBUTION PROGRAM

Empowering Young Minds Through Education

On 13th December 2025, Topcem Cement successfully conducted its 5th Annual School Stationery Distribution Program across Kamrup (M) and Kamrup districts, reaffirming its commitment to educational upliftment and community development. The initiative supported over 600 underprivileged and specially abled children by distributing essential learning materials, including 4500 notebooks, 6000 pens, 6000 pencils, 6000 erasers, and 6000 sharpeners, to 12 schools and childcare institutions across the region. By easing financial burdens on families, the programme helped students begin their academic journey with confidence and dignity. Since its inception in 2021, the initiative has benefitted more than 3,000 children, emerging as a cornerstone of Topcem Cement's Social Initiative. Through sustained focus on education, Topcem Cement continues to create meaningful impact and nurture brighter futures within the communities it serves.

TOPCEM CEMENT – DEALER & SUB-DEALER MEET 2025

Strengthening Partnerships. Celebrating Growth. Inspiring the Future.

Topcem Cement proudly concluded its series of Dealer and Sub-Dealer Meets, held across 11 vibrant locations in Assam and the Northeast. This remarkable initiative brought together esteemed dealers and sub-dealers, reflecting the trust, unity and collective strength of the Topcem family. Each meet was graced by the presence of Senior President, Dr. Anil Kapur, whose visionary leadership guided meaningful conversations on sales milestones, achievements and the road ahead. His insights inspired renewed motivation, deeper collaboration and a shared commitment to excellence. Beyond discussions and planning, the events were filled with warmth and camaraderie. Music, conversations and delightful cuisine created an atmosphere where professional connections blended beautifully with celebration and togetherness. The 2025 Dealer Meet series stands as a shining example of Topcem's unwavering dedication to empowering.

A STRONG PRESENCE AT NORTHEAST BUILD EXPO 2025

From 7th to 9th November, Topcem Cement marked its impactful presence as a Silver Sponsor at the Northeast Build Expo 2025. The three-day showcase brought together visionary ideas, transformative technologies, and industry leaders under one roof, creating a dynamic space for innovation and collaboration. For Topcem Cement, it was more than an exhibition – it was a platform to spark meaningful conversations, explore emerging possibilities, and deepen connections with architects, builders, engineers, and industry stakeholders. The Topcem stall witnessed an encouraging response, with approximately 150 visitors, including 15 architects, 15 contractors, 20 non-trade clients, and 10 builders & developers. The event highlighted the rapidly evolving construction landscape of the Northeast and reaffirmed Topcem Cement's commitment to contributing to this growth with quality, reliability, and forward-thinking initiatives.

JOURNEYS THAT CELEBRATE EXCELLENCE

At Topcem, we travel together—towards growth, trust and excellence

Phuket & Pattaya - Where performance met paradise—celebrating success amid sun, sea, and shared milestones.

Upholding its legacy of honouring outstanding performance, Topcem Cement curated a series of exclusive international incentive tours for its Nova Dealers in 2025. Designed category-wise to recognize achievement, the programme brought together nearly 200 Nova Dealers and company officials for immersive global experiences across Phuket & Pattaya, Dubai & Abu Dhabi and South Korea. Led by Dr. Anil Kapur, Senior President, Topcem Cement, these journeys went beyond travel—celebrating enduring partnerships, deepening relationships, and reflecting the brand's belief in rewarding excellence beyond business. Each experience stood as a testament to shared success, inspiring pride, loyalty, and a collective vision for the future.

South Korea: Innovation, culture, and connection - experiences that inspired a shared vision for the future.

Dubai & Abu Dhabi - A journey of ambition and achievement, set against the skyline of global excellence.

WELCOMING THE NEW YEAR WITH COMMUNITY CONNECT

As part of its New Year outreach, Topcem Cement conducted a roadside calendar distribution initiative, reaching out to commuters, masons, street vendors, and frontline workers. The activity highlights the brand's continued focus on grassroots engagement and building meaningful connections through thoughtful, everyday interactions.

CONSTRUCTION OF COMMUNITY CHURCH FOR THE LOCALS

In a heartfelt gesture towards inclusivity and community welfare, Meghalaya Cements Ltd., Thangskai, constructed a church within its premises for the local communities. The initiative aimed to offer a dedicated space for spiritual gatherings and reinforce the company's commitment to supporting cultural and religious harmony in the region. This initiative stood as a symbol of respect, unity, and shared values with the people of the area.

DISTRIBUTION OF DUSTBINS TO LOCAL VILLAGES

As part of its Swachh Bharat Abhiyan, Meghalaya Cements Ltd. distributed a total of 60 dustbins to promote cleanliness in nearby communities. The distribution covered Wahajier, Thangskai, and Chiehruphi villages, with 20 dustbins provided to each village. This thoughtful step reflected the company's ongoing commitment to environmental responsibility and community hygiene.

PROVIDED CGI SHEETS TO HAILSTORM-AFFECTED VILLAGERS

On 11th June 2024, Meghalaya Cements Ltd. extended timely support to the residents of Wahajier village by distributing CGI sheets to families affected by the devastating hailstorm caused by Cyclone Remal. The initiative aimed to help villagers rebuild their damaged homes and restore normalcy in the aftermath of the disaster. This humanitarian effort reinforced the company's strong commitment to standing by local communities during times of need.

DISTRIBUTION OF FOOTBALL BOOTS TO VILLAGE CHILDREN

In June 2024, Meghalaya Cements Ltd. distributed football boots to children from the villages of Thangskai, Wahiajer, and Chiehruphi. The initiative aimed to encourage sports and physical activity among rural youth, nurturing talent and promoting healthy development. This thoughtful gesture reflected the company's ongoing commitment to youth empowerment and community engagement.

HONORING FREEDOM WITH UNITY AND PRIDE: A TRIBUTE BY TOPCEM PUBLIC SCHOOL STUDENTS

On the occasion of India's 78th Independence Day, the students of Topcem Public School came together to celebrate the spirit of freedom with heartfelt enthusiasm and patriotic pride. Through cultural performances, patriotic songs, and inspiring speeches, the young learners paid tribute to the sacrifices of our freedom fighters and highlighted the values of unity, diversity and national pride. The celebration stood as a vibrant reminder of the nation's glorious past and a hopeful vision for its future—echoing the message of a united and stronger India

TOPCEM CEMENT DRIVES COMMUNITY CLEANLINESS AND GREEN INITIATIVES IN MEGHALAYA VILLAGES

In a continued effort to promote environmental awareness and community well-being, Meghalaya Cements Limited (Topcem Cement) undertook a series of impactful initiatives across Thangskai, Wahiajer, and Chiehruphi villages. On 20th August 2024, company officials, along with the Headman, Assistant Headman, Secretary, and residents of Wahiajer village, came together for a Plantation Drive, reinforcing the message of sustainability and shared responsibility. Following this, in September 2024, the company carried out pest control services across the three villages to ensure better hygiene and living conditions for residents. Additionally, weekly cleanliness drives were organized, engaging villagers in maintaining a clean and healthy environment. As part of the Swachh Bharat Abhiyan, Topcem Cement also extended its cleanliness initiative to its company campus and the surrounding villages, further strengthening its commitment to a cleaner and greener future. These initiatives stood as a testament to the company's dedication to environmental care and community development.

TOPCEM CEMENT STRENGTHENED HEALTHCARE ACCESS THROUGH MEDICAL INITIATIVES

Meghalaya Cements Ltd. (Topcem Cement) continued its commitment to community health by launching a series of medical initiatives for employees and nearby villages. On 5th September 2024, the company inaugurated a state-of-the-art X-ray and Laboratory Facility at its Occupational Health Center, enhancing diagnostic support for both staff and the surrounding community. This was followed by free medical health check-up camps organized at Thangskai village in November 2024, and at Chiehruphi village in December 2024, ensuring accessible primary healthcare services for rural residents. Further extending its outreach, a free medical camp along with emergency ambulance service was organized at Jingiaseng Samla KJP Synod Mihngi, Chiehruphi in March 2025. These efforts highlight Topcem Cement's strong focus on preventive healthcare and community well-being.

OBSERVED NATIONAL SAFETY WEEK WITH ENTHUSIASM AND COMMITMENT

In March 2025, Meghalaya Cements Ltd observed National Safety Week within its plant premises, joining the nation in promoting workplace safety and awareness. The event featured safety drills, training sessions, and awareness programs aimed at reinforcing the importance of a safe and responsible work culture. Employees from all departments actively participated, reflecting the company's strong commitment to safety at every level. By aligning with the nation's call for safer industries, Meghalaya Cements Ltd reaffirmed its role as a responsible and forward-thinking organization, where every worker's wellbeing is non-negotiable, and every milestone is achieved hand-in-hand with safety.

STUDENT INDUSTRIAL VISIT TO MEGHALAYA CEMENTS LTD.

Students of Jowai RMSA Secondary School visited the Meghalaya Cements Ltd. Plant to gain practical exposure to the cement manufacturing process. They learned about different stages of production, safety measures, and quality control through an interactive session with plant officials. The visit was an informative experience that helped students connect classroom learning with real industrial practices and inspired them to explore future career opportunities.

PLASTIC BAN AWARENESS & PLANTATION DRIVE AT THANGSKAI VILLAGE

A Plastic Ban Awareness & Plantation Drive was organized at Thangskai Village to promote environmental protection and sustainable living. The programme focused on educating villagers about the harmful effects of single-use plastic and encouraging the adoption of eco-friendly practices. The drive also included plantation of saplings in common areas, symbolizing our commitment to a greener and cleaner future. Active participation from the local community made the initiative impactful, reinforcing the message that collective efforts can lead to lasting environmental change.
